VOLUNTEER IMMIGRATION AGENT.

What State Supt. McElroy is Doing, and Proposes to Do.

State Supt. McElroy is arranging for the coming State Teachers' Association to be held here July 5th, 6th and 7th, and for the National Teachers' Association to be held in San Francisco beginning July 16, Prof. McElroy is a rustler, and his work has Oregon way in the lead in everything. He is doing a magnificent immigration work, in arranging for visits from a great many of the leading educators of the Union. He has recently invited the Territorial Superintendents of Dakota, Montana, Idaho and Washington, and through them, their teachers to visit at the Salem meeting of the State Association, and has arranged half rates from all these territories over the Oregon Short Line, Northern Pacific, and Oregon Railway & Navigation Co's railroad lines to Portland and return, tickets good to return until Sept. 30. These tickets will be placed on sale at Territorial points as early as July 2, and tickets from Portland to San Francisco will be placed on sale at Portland about July 10 to 18th. This gives teachers, intending going to San Francisco, plenty of time to come to Salem, and take in the Oregon Association on their way.

Prof. McElroy has also made arrangements for opening headquarters for Oregon in the Baldwin hotel in San Francisco, during the National Association, where literature and information concerning this state will be disseminated among the visiting teachers from the East. Supt. McElroy has asked several Boards of Trade to bear part of the expense of renting rooms for these headquarters, which expense will not be very small, and it is likely he will get this aid. He should, at any rate, for he has given a great deal of time, and has already done an enormous lot of work not required by the statutes, simply in a spirit of public enterprise, and a desire to push his state forward. Prof. McElroy deserves much praise, and aid in his enterprising endeavor to attract the attention of these educated people to Oregon, and especially Salem.

The Injured Man Dies.

On Sunday night, as was expected by those who knew the circumstances of the case, Bryan, whose horse fell on him, crushing his head and chest, on Saturday, near Silverton, died from the effects of his injuries. Bryan was aged about 25 or 30 years, and was unmarried.

"Punch" Minto, youngest daughter of Sheriff Minto, has just finished two large oil paintings—one a snow scene, and the other a "moonlight on the lake." Although the young artist is barely in her "teens," these two studies will readily recommend themselves to any lover of good pictures. It is evident that she has a rare natural talent, and it should be given a chance.

We notice the new advertisement of Cronise & Wilson, job printers, in to-days issue. These gentlemen are well known in Salem, and do first class work.

The promenade concert to be given by the Ladies of the Presbyterian church in B Co's armory to-morrow night, has been postponed, on account of the lack of strawberries.

Hon. Elisha Applegate, familiarly known as "Lish," spoke at Albany last night, and his speech did anything but re-assure the democrats. He passed down on this morning's train.

E. E. McKinney of Turner had his shoulder dislocated yesterday. He was trying to help some other men get a horse out of a well, which it had fallen into, and slipped, falling in himself. His shoulder was reset and he is now getting along nicely.

Col. T. C. Smith received a letter from C. H. Warren, of San Francisco, yesterday, ordering deeds to six lots in Silver Falls City, for parties in San Francisco. Col. Smith was at the embryo town on Sunday, and reports everything looking fine there.

Every person buying 50 cents worth of merchandise at I. Greenbaum's, Commercial street, corner of Ferry, is entitled to a guess at the number of beans in a glass jar. The person guessing the nearest will receive a present of a fine guitar. Presentation to take place Fourth of July, 1888.

Local quotations on wheat remain at 63 cents, although the market is generally looking up. The mills here have a full supply, so are making no effort to purchase. Prospects for the coming crop in this state were never better, while our sister to the south of us, is lamenting her insufficient rainfall.

CLYMER ITEMS.

Wild strawberries are ripe.

Mr. M. A. Short has gone to Goldendale, W. T., to visit her daughters.

Quite a number of men are tramping over the country seeking employment, some offering to work for ten dollars per month.

Hon. T. T. Geer and family, with a party of friends, spent last Sunday at Silver Creek Falls.

Some of the Clymer musical talent, with the sweet singers from Macleay and other adjoining neighborhoods, will aid I Co., 2d regt., O. N. G., at their picnic at Macleay May 19th.

The annual road work is now in progress, throughout the country, and in consequence the roads are being greatly improved. In riding over the hills it is quite common to encounter a party of six, eight or a dozen men, fully equipped with horses, plows, scrapers, picks and shovels congregated by the roadside talking "tariff" while allowing the driver to pass over the newly made thoroughfare.

Our old school house is beginning to show signs of decay, but it has not yet outlived its usefulness. Who knows? Possibly congressmen, senators and, perhaps, a future president may lay the foundation of an education within its walls. So a majority of the men in the district volunteered their services, Saturday, and with their lunch baskets, saws, hammers and nails, instead of spelling books, reading and arithmetic, as in former days, repaired to the spot; and proceeded to re-roof the old building and give it a general renovation.

Dickens' Readings.

The New York Tribune: "Charles Dickens read again at Chickering Hall yesterday afternoon to a large audience which filled the hall, parquet, circle and gallery. Major Pond announced the series of matinees of which yesterday was the last as an experiment; but the experimental stage was passed when the audience assembled for the first reading, two weeks ago, and the remarkable success of the afternoon readings has led to the announcement of a future series on Friday afternoons, February 17 and March 2 and 9." Mr. Dickens will read here one week from to-morrow night, and his entertainment is being looked forward to with interest.

Personal.

Mr. N. H. Frohlichstein, of Mobile, Ala., writes: I take great pleasure in recommending Dr. King's New Discovery for Consumption, having used it for a severe attack of Bronchitis and Catarrh. It gave me instant relief and entirely cured me and I have not been afflicted since. I also beg to state that I had tried other remedies with no good result. Have also used Electric Bitters and Dr. King's New Life Pills, both of which I can recommend.

Dr. King's New Discovery for Consumption, Coughs and Colds, is sold on a positive guarantee. Trial bottles free at Dr. H. W. Cox's drug store.

The picnic to be held at Macleay on Saturday, promises to be a very pleasant gathering, and the presence of the county candidates will lend additional interest to the occasion. The candidates will open the campaign there. The picnic is to be given under the auspices of I Co., 2nd Regt., O. N. G., and arrangements have been made for reduced fare on the narrow gauge railroad to parties attending.
